

Devon Recovery Learning Community

RISK ASSESSMENT TEMPLATE

1. Physical risk - venue, evacuation procedures, equipment; any students declaring physical disability or special requirements, e.g. large print
2. Course content - does this include any difficulties for students, e.g. of understanding, skills; are you prepared for a student with learning difficulties?
3. Potential for triggering distress - is any of the content likely to trigger difficult memories or put students under any pressure?
4. Students becoming unwell during course - any of our students may be dealing with mental health difficulties. Do you have a contingency plan in case someone becomes unwell and has to leave or needs special attention?
5. Any other possible difficulty that you foresee?
